Thank you for inquiring about Pacific Rim Bloodhound Rescue.

Enclosed is an adoption application, some information about Bloodhounds and other useful material regarding our program. Please understand that our primary concern is placing a dog in the best possible home for the dog. We do not operate on a first come – first serve basis. Our intent is to pair you with a dog which will create the best possible match.

We do have some absolute requirements. In order to be considered:

- You must have a fenced yard
- You must be willing and able to provide adequate food, shelter and veterinary care
- You must be able to meet the emotional needs of the Bloodhound AND
- You must agree that if the dog is unsuitable or in need of placement again, the dog will be returned to PRBR Adoption.

If, once you have read the enclosed information, you are still interested in a Bloodhound, we strongly suggest that you read the Barron's paperback book – *Bloodhounds, Complete Pet Owners Manual* by Kim Campbell Thornton. The book can be purchased from Barron's at www.barronseduc.com or by calling 1-800-645-3476. The book can also be purchased from Amazon or you can order it through your local bookseller.

Please feel free to contact us with any questions; we will be happy to help. Once we have received your application, we will begin processing your application.

For more information about bloodhounds or Pacific Rim Bloodhound Rescue, contact our Rescue Committee:

Sonny Crawford: drsonnya@gmail.com
Suzi Paine: themaja@comcast.net
Janis Hardy: burntoast1@hotmail.com

The rescue committee contacts are the ONLY individuals coordinating PRBR business. All contact not directed through one of these individuals is not sanctioned by PRBR.

We look forward to hearing from you.

Sincerely,
